

Tuscany Heights Elementary

April 15 - 19, 2013

Parents,

Please help us speak to the students about safety when walking home. We've had a few reports about students walking in front of cars and some playing the game "chicken" with the construction bulldozers. This is beyond campus grounds, but it does concern me. I want all of my students safe while in my care and outside of my care. Thank you for taking this request serious and talking about safety with your children.

Thank you for the amazing book donations and box tops contributions! We had a Fan-stache-stic Friday wearing our mustaches and hula hooping with the students!

*Thank you,
Tara Bailey*
