

ELECTIVES FAIR

Barbara Bush

Middletown

The Elective Dept. welcomes incoming 5th graders who will attend Bush Middle School next year and their parents to a fun-filled night of presentations and performances highlighting ART, BAND, CHOIR, DEBATE, ORCHESTRA and THEATRE.

Bush Middle School's Elective Department has an award-winning tradition of excellence. Join us for an informative night detailing elective courses offered. At the fair, students and parents can meet the teachers, receive brochures and hear from the counselors.

Our Electives Fair is a "hot ticket." Therefore, overflow parking is available at the church next door. Bush students will be available at both entrances to direct visitors.
