

# Student & Staff Safety is a #1 priority at Tuscany Heights!

Recently, Tuscany Heights staff has received reports concerning unsafe driving practices and students walking alone through parking lots. To ensure the safety of our students and staff:

- ✓ You are highly encouraged to use our front entrance lane to drop off your child or use our front Visitor Parking lot to walk your child across the crosswalk.
- ✓ The rear Bus Lane is **RESERVED** for a bus drop off until 7:30am. It is imperative that this lane be free and clear of students and cars during this time. If you feel the need to use the bus entrance during this time, you are **REQUIRED** to park in the rear parking lot and walk your child across the crosswalk.
- ✓ The crossing guard on duty is trained to direct traffic. Because their attention is on directing this traffic, we **REQUIRE** that you remain in line until the flow of traffic continues. This helps them do their job and keep them safe from accidents.
- ✓ All PARKING LOTS at Tuscany Heights experience heavy motor vehicle use throughout the day and are not safe places to drop students off at any time.

Thank you for supporting safety at T.H.E.!
