

Student & Staff Safety is a #1 priority at Tuscany Heights!

Recently, Tuscany Heights staff has received reports concerning unsafe driving practices and students walking alone through parking lots. To ensure the safety of our students and staff:

- ✓ The safest place for students to be dropped off is in the Front Entrance Drop-off Lane. The Front Visitor Parking Lot is an alternate choice but it is NOT a safe place to drop off students to walk alone. Please park and walk them across the crosswalk.
- ✓ The Rear Bus Lane is **RESERVED for a bus drop-off until 7:30am**. It is imperative that this lane be free and clear of students and cars during this time. If you feel the need to use the bus entrance during this time, please park in the rear parking lot to walk your child across the crosswalk. If you drop-off after 7:30am, we **REQUIRE** that you remain in line until the flow of traffic continues. This keeps our staff and students in the crosswalk safe from oncoming buses and cars.
- ✓ All PARKING LOTS at Tuscany Heights experience heavy motor vehicle use throughout the day and are not safe places to drop students off alone at any time.

Thank you for supporting safety at T.H.E.!
