

Not all heroes wear capes

UNLEASH YOUR

CREATIVE POTENTIAL

WITH REFLECTIONS!

Enter the PTA

Reflections Art Contest!

This year's theme is "Heroes Around Me." Students can submit original works of art that reflect this year's theme along with an entry form (see one on the **back of this flyer.**)

Enter as many times as you wish in any of six categories: dance choreography, film production, literature, music composition, photography, and visual arts.

Entries will be judged by experienced artists on reflection of the theme, originality and creativity. Winners will go on to compete with winners from other NEISD schools.

See tuscanheightspta.org for submission guidelines and more information.

All entries must be turned into the front office by October 23!

ABOUT REFLECTIONS

Reflections has been a staple arts program in many schools for 50 years. Through the efforts of our Local PTAs, millions of students have found a creative outlet in the areas of dance choreography, film production, literature, music composition, photography, and visual arts.
