

The 2013-2014 Reagan High School Cheer Squad is prepped and ready to share their skills with aspiring cheerleaders aged 5 to 15. On October 12th, the Reagan High School Cheer Clinic will be held from 9-12pm, with a show-off for parents at 11:30am. Participants will learn cheers and choreography, play games, and make new cheer friends. They will have the opportunity to perform at the Reagan vs. Madison Varsity football game, that night at Heroes Stadium. Registration information is on the attached flyer. This is a terrific tradition and opportunity for girls to spend time on the Reagan campus and on the sidelines! Reagan Cheer coaching staff and athletes are very much looking forward to meeting the future Rattlers!
