Watch D.O.G.S. is an innovative program being used by schools across America which helps them to be positively impacted by the committed involvement of fathers and father-figures in their student's life. Our goal is to have you spend at least one day this year at the school to be a positive male role model and to provide an extra set of eyes and ears for safety and security.

If you are unable to attend but are interested in becoming a Watch D.O.G., just email the address below and let us know.
