2015 Staff Appreciation Week

May 4th-8th

Our Teachers and Staff play a key role in student success and sometimes a simple **"THANKS"** is all a teacher needs to feel valued. During this first week of May, we are taking the time to celebrate your students' teachers for all their hard work and dedication throughout the school year.

At Tuscany Heights our PTA has put together a fun list to allow the students a unique way to say thank you. The list provided outlines our school themed ideas only, and you do not have to participate if you have other ways in mind to thank your teacher during this week.

If you want to participate in these daily activities and are curious about the "likes" of your teachers and staff, then check out their **"Faculty Favorites"** located at www.tuscanyheightspta.org; choose the helpful links tab, and where it states

"HERE A FEW OF OUR FAVORITE THINGS,"

you will learn tons about your students' teachers and all T.H.E. staff!

Let's make this a memorable time for the teachers, staff and students this week.

Thank you parents for all you do for our staff and your children.

Our school would not be a success without you too!

Kimbree Camp and Kelly Evans
