

TUSCANY HEIGHTS ELEMENTARY SCHOOL

STUDENT PLACEMENT-PARENT INPUT

2015-2016

If you would like to offer input about your child's placement next year, please do so on this **optional** form

Information given on this form is taken into consideration when making the class list. We will not be taking parent request since it is impossible to honor every request. At the end of each school year, grade level teachers, counselors, and administration will meet to thoroughly review and discuss appropriate student placement. This collaborative process is taken seriously by all involved. Some areas of consideration include:

- ✓ Academic needs,
- ✓ Social needs,
- ✓ Recommendations by the administrators, counselors, and/or special programs teachers, and
- ✓ Maintaining an equal balance among all classes.

Due to the professional manner in which classes will be developed, T.H.E. does not encourage teacher requests. Your child's last teacher knows their performance and social interaction in the classroom better than anyone else. Parent recommendations can conflict with what we feel is the best educational placement for your child. However, we are more than willing to hear any concerns you have regarding your child's placement. There are often times older siblings have been in a teacher's class and you wish for the younger one to have the same teacher. You can note this on your form, but siblings may thrive in different classroom environments. Together, we will find a classroom environment we feel will promote learning for all! Again, we cannot accept requests for a specific teacher, yet if your child has a learning style you would like to be considered or if there is a specific teaching style which best suits your child, please complete the questions on the back of this form and turn it in to our Administrative Assistant, DeAnn Nealy, **no later than Friday, May 22nd**. All information will be reviewed, and considered when formulating class lists. **Any input form requesting a specific teacher will NOT be considered.**

**Complete this form and turn it in to our school
Administrative Assistant DeAnn Nealy.**
